EDUCATION

Ph.D. in Economics, University of California San Diego 2023–Present
Fields: Environmental Economics, Finance, and Macroeconomics.

Master of Arts in Economics, University of California San Diego 2025
Core courses: Econometrics, Microeconomics, and Macroeconomics.

Master in Financial Management, Universidad de Concepción¹, Chile 2019
Graduated with highest distinction. Thesis: Evaluation of the Impact of the 2008 Financial Crisis on Capital Structure of Companies in Latin America.² Main advisor: Prof. Juan Gallegos.

B.Sc. in Industrial Engineering, Universidad de Concepción, Chile 2018
Graduated with highest distinction (ranked 3rd in a cohort of 93 students). Thesis: Ex-post evaluation of Chile's R&D tax incentive law. Main advisor: Prof. Cristian Mardones.

COMPLEMENTARY EDUCATION

Summer School in Dynamic Structural Econometrics, University of Michigan 2026
Econometric Society annual intensive program in dynamic structural econometrics and computational methods, with a focus on dynamic finance and banking.

Summer School in Environmental Economics, University of California Berkeley 2025
Intensive program covering frontier topics in environmental and energy economics, including carbon markets, climate policy, and empirical methods for environmental research.

RESEARCH

Research Interests: Climate Finance, Banking, and Insurance

Working Papers

Transmission of Climate Risk in Corporate Loans (*with Max Yang*)
Physical Climate Risk and Heterogeneous Investment Responses

Conference and Seminar Presentations

2026: NBER Climate and Nature Finance Conference, Norway (poster); Internal Finance Brown Bag Seminar, UCSD; Climate Conference, Climate Action Lab, UCSD
2025: Internal Macroeconomics and Environmental Economics Seminars, UCSD
2021: Chilean Network of Innovation Researchers Conference, Chile

Conference Organization

2027: Scripps–Climate Economics Workshop, UCSD (co-organizer, forthcoming)

Published Articles

Mardones, C. and Madrid Becerra, N. (2020). “Ex-post evaluation of the R&D tax incentive law in Chile.” *Academia Revista Latinoamericana de Administración*, 33(3/4), 337–359. doi.org/10.1108/ARLA-03-2019-0092

¹The Universidad de Concepción ranks as the 3rd best university in Chile according to the Academic Ranking of World Universities (ARWU) and is ranked 11th in Latin America by the QS World University Rankings.

²Presented at the 10th INEKA (Innovation, Entrepreneurship and Knowledge Academy) Conference, Verona, Italy, 2019, by Prof. Juan Gallegos on behalf of both authors.

RESEARCH EXPERIENCE

Summer Research Intern, Banco de México 2026
Summer Research Fellow at the General Directorate of Financial Stability, conducting research on financial stability topics. Supervisors: Calixto Lopez and Adrian Pardo.

Summer Graduate Research Fellow, University of California San Diego 2024
Independent summer research fellowship. Faculty advisor: Prof. Judson Boomhower.

Research Assistant, Universidad de Concepción, Chile 2018
Supported research under Profs. Cristian Mardones and Pablo Catalán at the Center for the Study of Innovation Systems (CIS2); co-authored a published paper on Chile's R&D tax incentive law; and contributed evidence-based insights on innovation policy for Chile's national economic development agency.

TEACHING EXPERIENCE

Teaching Assistant, University of California San Diego 2024–Present

- Graduate: Finance & Valuation in Corporate Finance (Prof. William Mullins) Winter 2024–25
- Graduate: Real Estate Finance (Prof. Carlos Avenancio) Spring 2026
- Undergraduate: Econometrics (Prof. Graham Elliot, Prof. Yinlin Dai) Fall 2023–24

Lecturer, Universidad de Concepción, Chile 2019–2020
Instructor for 120 students; designed course materials and supervised teaching assistants.

- Undergraduate: Accounting and Industrial Costs First Semester
- Undergraduate: Economic Engineering Second Semester

Lecturer, Universidad Católica de la Santísima Concepción, Chile 2020
Instructor for 60 students; designed course materials, including computer practical lectures.

- Undergraduate: Quality Management, Production, and Maintenance First Semester

RELEVANT PROFESSIONAL EXPERIENCE

Quality Management Specialist, Universidad de Concepción, Chile 2020–2022
Redesigned quality management systems for training programs using Power BI; developed evaluation models for higher education quality practices (UCO 19101 Project).

Consulting Analyst, CameronPartners Innovation Consultants, Chile 2019–2020
Provided financial management advisory to 10+ SMEs; contributed to an acceleration program for 20 SMEs under CORFO's Innovation Fund for Competitiveness (FIC).

HONORS, SCHOLARSHIPS, AND GRANTS

Richard Libby Research Award (\$10,000), Rady School of Management, UCSD 2026
Supporting research on macroeconomic shocks and systemic risk in financial markets.

Travel Grant, Economics Department, UC San Diego 2026
Funding to attend the NBER Climate and Nature Finance Conference, Norway.

Travel Grant, Alfred P. Sloan Foundation, UC Berkeley 2025
Funding to attend the Summer School in Environmental Economics, UC Berkeley.

Summer Research Scholarship (\$3,500), University of California San Diego 2024
Funding for independent summer research in economics.

Regents Fellowship (\$27,000), University of California San Diego 2023
Fellowship supporting first-year students in the Ph.D. in Economics.

Fulbright Doctorate Scholarship (\$100,000), Fulbright Commission–ANID, Chile <i>Competitive national fellowship for doctoral studies in the United States.</i>	2020
Outstanding Woman Engineer Award , Universidad de Concepción, Chile <i>Recognized as one of the 100 Outstanding Female Engineers at the Universidad de Concepción.</i>	2019
Merit Scholarship for Graduate Studies , Universidad de Concepción, Chile <i>Awarded to top undergraduate students pursuing graduate education.</i>	2016
Bicentennial Scholarship for Undergraduate Studies , Ministry of Education, Chile <i>Competitive national scholarship for students with academic excellence and socioeconomic need.</i>	2012

COMMUNITY SERVICE AND LEADERSHIP

Fulbright Board Member , San Diego Fulbright Chapter <i>Organize events to strengthen the Fulbright community in San Diego.</i>	2026–Present
Summer Reading Group Coordinator , Climate Change Economics, UCSD <i>Organized a summer reading group for graduate students, facilitating bi-weekly discussions of recent research in climate change and environmental economics.</i>	2025
Educational Mentor , Powerful Women Program, WoomUp, Chile <i>Mentoring students from public schools to reduce the gender gap in STEM careers.</i>	2020
Student Council Member , Industrial Engineering Student Association, UDEC <i>Organized activities to promote students' professional development and well-being.</i>	2016

PROFESSIONAL MEMBERSHIPS

Econometric Society · Association of Environmental and Resource Economists · Fulbright Association

LANGUAGES AND SKILLS

Languages: English (full professional proficiency), Spanish (native)
Computing: Python, STATA, C++, MySQL, L^AT_EX, HTML/CSS, Microsoft Office
Citizenship: Chile
